# VALVES INSTRUMENTS PLUS

Since 1985, VIP has built a strong reputation for excellence in quality, service, and reliability. Our technical expertise is backed by decades of experience across a wide range of industries. In addition to representing many leading product manufacturers, we also offer our own branded range. Which has been trusted for its value and performances on some of the UK's most high-profile projects.

# bimstore

VIP has its own dedicated in-house team producing digital models for design teams nationwide, available for download on BIMstore

HD Double Slide  
Guide  
Steel and Copper

## VIP OFFER A FREE OF CHARGE EXPANSION DESIGN SERVICE!

VIP offers a comprehensive service by marking up customer drawings to clearly show the optimal placement of expansion joints, anchors, and slide guides.

Our expert team also provides detailed anchor load and thermal movement calculations to ensure reliable system performance and peace of mind. We back this with a full, transparent quotation and expert technical design support all covered by our professional indemnity insurance.
